Pubbl/distr/stampa	New York : , : Routledge, , 2013
ISBN	1-136-66237-5 0-203-58387-6 1-299-16109-X 1-136-66230-8
Descrizione fisica	1 online resource (191 p.)
Collana	Routledge advances in sociology ; ; 94
Disciplina	303.4
Soggetti	Generations Age groups Social change
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Constructing generation -- Questions, concepts, data and methods -- Generation as discourse in working life stories -- Generational discourses and relating to work -- Why now? explaining generational discourses around work -- Explaining generation as discourse -- Conclusion: generation and work as we know it.
Sommario/riassunto	Just what is a generation? And why, if at all, does it matter? This book asks what generation means to ordinary people, arguing that generation is real and it matters, but not in the ways that we think. Generations are not groups of people who can be categorized and attributed with static, immutable and universal characteristics, nor are they reducible to cohorts, as is the tendency in much social research. Rather, the book reveals generation to be a social phenomenon and a mechanism of social change - as a constellation of ideas and discourses that explains what happens when ideas a
