Note generali	Title from title screen (viewed on May 11, 2009). "April 21, 2009"--List of GAO reports. "GAO-09-626SP."
Sommario/riassunto	In its Afghanistan National Development Strategy, the Afghan Government, in conjunction with international donors, established the goal of completing a fully upgraded regional highway network by the end of 2008. This GAO report shows international funding and construction of roads in Afghanistan using two interactive maps, one of donor-funded regional and national highways in Afghanistan, and one of USAID-funded roads in Afghanistan and funding levels by provinces.
