Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	This edition also issued in print: 2020.
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	Now thoroughly revised, the primary goal of this second edition is to assist with the education of anesthesiology residents, fellows, and other allied medical professionals (special forces medics, nurse anesthetists, emergency room physicians, and others) in the art and science of acute pain medicine and regional anesthesia. It brings the expertise and lessons learned from military medicine to a larger audience in regional anesthesiology.
