| Sommario/riassunto | A step-by-step guide to bringing up happy, responsible children...One of the greatest challenges any parent will face, is teaching their |

children the difference between right and wrong and helping them to learn good social behaviour, whilst maintaining a satisfying, loving relationship. Today, more than ever before, parents are concerned about their children's behaviour and its effect not only on the child, but also upon society. This step-by-step guide provides well-researched information for parents who want to positively encourage their children and teenagers to behave
