Sommario/riassunto	The Bush administration is out but the American public continues to suffer from its disastrous domestic and foreign policies. In this excellently documented work, presidential scholar Shirley Anne Warshaw offers an in-depth analysis and exploration of the political maneuvering that got us into our current mess. Combining her study of the motivations of both Dick Cheney and George W. Bush, knowledge of the spheres in which they operated, and personal interviews with White House staff and Washington insiders, Warshaw demonstrates that these complementary conservatives were nothing less than
