German Views of China before "Kiautschou" -- Chapter 7. A Pact with the (Foreign) Devil: Qingdao as a Colony -- Chapter 8. Conclusion: Colonial Afterlives -- Appendix 1: A Note on Sources and Procedures -- Appendix 2: Head Administrators of German Southwest Africa, Samoa, and Kiaochow -- Bibliography -- Index

Sommario/riassunto

Germany's overseas colonial empire was relatively short lived, lasting from 1884 to 1918. During this period, dramatically different policies were enacted in the colonies: in Southwest Africa, German troops carried out a brutal slaughter of the Herero people; in Samoa, authorities pursued a paternalistic defense of native culture; in Qingdao, China, policy veered between harsh racism and cultural exchange. Why did the same colonizing power act in such differing ways? In *The Devil's Handwriting*, George Steinmetz tackles this question through a brilliant cross
