| Sommario/riassunto | Praise for the first edition:.. 'There is much to be commended in Alderson's book, … It is written with clarity and passion and adopts a child-centred perspective, and most of Alderson's points are well backed up with appropriate, illustrative, research and practice examples. …'. - Child Abuse Review Vol. 11: 124-132 (2002). 'This book will prove invaluable to any who are involved in research or professional practice with children. It is also carefully and quietly making 'child-citizens' thinkable. A final commendation is that it takes the 'tough' cases of young children and babies |
