

1. Record Nr.	UNINA9910703627603321
Autore	Wilson John W (John William), <1940->
Titolo	A study of neutron leakage in finite objects // John W. Wilson [and four others]
Pubbl/distr/stampa	Hampton, Virginia : , : National Aeronautics and Space Administration, Langley Research Center, , February 2015
Descrizione fisica	1 online resource (iv, 20 pages) : color illustrations
Collana	NASA/TP ; ; 2015-218692
Soggetti	Monte Carlo method Radiation dosage Boltzmann transport equation Neumann problem Isotropic media
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed May 5, 2015). "February 2015."
Nota di bibliografia	Includes bibliographical references (pages 17-20).
