

1. Record Nr.	UNISA996394519303316
Autore	Waller William, Sir, <d. 1699.>
Titolo	The tragical history of Jetzer. Or, a faithful narrative of the feigned visions, counterfeit revelations, and false miracles of the Dominican fathers of the covent of Berne in Switzerland, to propagate their superstitions [[electronic resource]] : For which horrid impieties, the prior, sub-prior, lecturer, and receiver of the said covent were burnt at a stake, anno Dom. 1509. Collected from the records of the said city by the care of Sir William Waller Kt. Translated from his French copy by an impartia[!] pen, and now made publick for the information of English Protestants, who may hence learn, that Catholicks will stick at no villanies which may advance their designs, nor at any perjuries that may conceal them. With an epistle wherein are some soft and gentle reflections upon the lying dying speeches of the Jesuites lately executed at Tyburn
Pubbl/distr/stampa	London, : printed for Nathanael Ponder, at the Peacock in the Poultry, M.DC.LXXX. [1680]
