Note generali	"[P]rovides military families with children with special needs the information they need to make informed assignment decisions and easier transitions"--Page 5. Title from title screen (viewed Jan. 6, 2016). Includes record-keeping worksheets and checklists to help parents: track communications with service agencies; describe their child's education program; and relocate to a new school district. Companion publication known as "The Early Intervention Directory" also issued.
Sommario/riassunto	Summarizes national and state level trends for special education and includes descriptions of individual school districts. Provides an overview of each state's special education support system, and detailed profiles of special education programs in the school districts of each state, including enrollment, types of educational and post-secondary transitional services provided, family resources, and military installations.
