

1. Record Nr.	UNINA9910704222603321
Autore	Taylor A. M. K. P.
Titolo	Measurements of laminar and turbulent flow in a curved duct with thin inlet boundary layers // A.M.K.P. Taylor, J.H. Whitelaw, and M. Yianneskis
Pubbl/distr/stampa	Washington, D.C., : National Aeronautics and Space Administration, Scientific and Technical Information Branch, , 1981
Descrizione fisica	1 online resource (iii, 58 pages) : illustrations
Collana	NASA contractor report ; ; 3367
Soggetti	Turbulent boundary layer Laser Doppler velocimeter Fluid dynamic measurements
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed Feb. 9, 2016). "January 1981." Chiefly tables.
Nota di bibliografia	Includes bibliographical references.
