

1. Record Nr.	UNINA9910704440803321
Titolo	Materials Research in Microgravity 2012 // R. Hyers, editor [and six others] ; M. SanSoucie, compiler
Pubbl/distr/stampa	Huntsville, Alabama : , : National Aeronautics and Space Administration, Marshall Space Flight Center, , September 2012
Descrizione fisica	1 online resource (v, 200 pages) : color illustrations
Collana	NASA/CP ; ; 2012-217466
Soggetti	Gravitational effects Microgravity Low gravity manufacturing Materials science Thermophysical properties
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed Sept. 4, 2015). "September 2012." "Proceedings of a symposium held at the 141st TMS 2012 Annual Meeting and Exhibition, Orlando, Florida, March 11-15, 2012."
Nota di bibliografia	Includes bibliographical references.
