Nota di contenuto	The idea of free labor in nineteenth-century America -- Abbreviations used in footnotes and bibliography -- Introduction -- Free labor : the Republicans and northern society -- The Republican critique of the South -- Salmon P. Chase : the Constitution and the slave power -- The radicals : anti-slavery politics and the moral imperative -- The Democratic Republicans -- Conservatives and moderates -- The Republicans and nativism -- The Republicans and race -- Slavery and the Republican ideology.
Sommario/riassunto	Since its publication twenty-five years ago, Free Soil, Free Labor, Free Men has been recognized as a classic, an indispensable contribution to our understanding of the causes of the American Civil War. A key work in establishing political ideology as a major concern of modern American historians, it remains the only full-scale evaluation of the ideas of the early Republican party. Now with a new introduction, Eric Foner puts his argument into the context of contemporary scholarship, reassessing the concept of free labor in the light of the last twenty-five years of writing on such issues as
