

1. Record Nr.	UNINA9910704687203321
Autore	Sadovsky A. V.
Titolo	Efficient computation of separation-compliant speed advisories for air traffic arriving in terminal airspace // A.V. Sadovsky, D. Davis, D.R. Isaacson
Pubbl/distr/stampa	Moffett Field, California : , : National Aeronautics and Space Administration, Ames Research Center, , 2012
Descrizione fisica	1 online resource (27 pages) : illustrations
Collana	NASA/TM ; ; 2012-216033
Soggetti	Air traffic control Airspace Scheduling Real time operation Algorithms Mathematical models
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on June 24, 2013). "July 2012."
Nota di bibliografia	Includes bibliographical references (pages 24-27).
