

1. Record Nr.	UNINA9910704921503321
Autore	Chang Jen-Fu
Titolo	Transonic airfoil analysis and design in nonuniform flow / / Jen-Fu Chang and C. Edward Lan
Pubbl/distr/stampa	Washington, D.C. : , : National Aeronautics and Space Administration, Scientific and Technical Information Branch, , 1986
Descrizione fisica	1 online resource (viii, 73 pages) : illustrations
Collana	NASA contractor report ; ; 3991
Soggetti	Airfoils Computer programs Lift drag ratio Numerical analysis Optimization Transonic flow
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on Dec. 18, 2013). "June 1986." "Performing organization ... Flight Research Laboratory, the University of Kansas Center for Research"--Technical report page. "Prepared for Langley Research Center under grant NAG1-308."
Nota di bibliografia	Includes bibliographical references (pages 35-40).
