

1. Record Nr.	UNINA9910705297603321
Autore	Koch David G.
Titolo	A large-area gamma-ray imaging telescope system // principal investigator, David G. Koch
Pubbl/distr/stampa	Cambridge, Massachusetts : , : Smithsonian Institution, Astrophysical Observatory Washington, D.C. : , : National Aeronautics and Space Administration Headquarters, , 1983
Descrizione fisica	1 online resource (v, 93 pages) : illustrations
Collana	NASA-CR ; ; 175435
Soggetti	Angular resolution Gamma ray telescopes Mirrors Space platforms Space Shuttle payloads
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on Mar. 19, 2014). "August 1983."
Nota di bibliografia	Includes bibliographical references (pages 91-93).
