

1. Record Nr.	UNINA9910705354603321
Autore	Draxl Caroline
Titolo	Advancements in wind integration study data modeling the wind integration national dataset (WIND) toolkit. // C. Draxl [and nine others]
Pubbl/distr/stampa	[Golden, Colo.] : , : National Renewable Energy Laboratory, , October 2013
Descrizione fisica	1 online resource (4 pages) : map
Collana	NREL/CP ; ; 5D00-60269
Soggetti	Wind power plants - Computer simulation Numerical weather forecasting
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"October 2013." "To be presented at the 12th International Workshop on the Large-Scale Integration of Wind Power into Power Systems, London, England, October 22 24, 2013."
Nota di bibliografia	Includes bibliographical references (page [15]).
