

1. Record Nr.	UNINA9910705372603321
Autore	Gegg S. G.
Titolo	A dual potential formulation of the Navier-Stokes equations // S.G. Gegg, R.H. Pletcher, J.L. Steger
Pubbl/distr/stampa	[Ames, Iowa] : , : Heat Transfer Laboratory, Engineering Research Institute, Iowa State University Moffett Field, California : , : NASA-Ames Research Center, , [1989?]
Descrizione fisica	1 online resource (xiii, 204 pages) : illustrations
Collana	[NASA contractor report ; ; NASA-CR-185098]
Soggetti	Compressible flow Computational fluid dynamics Flow velocity Incompressible flow Navier-Stokes equation Poisson equation Three dimensional flow Two dimensional flow
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed Apr. 29, 2014).
Nota di bibliografia	Includes bibliographical references (pages 189-195).
