

1. Record Nr.	UNINA9910705738103321
Autore	Conklin Lindsey
Titolo	Tutorial for collecting and processing images of composite structures to determine the fiber volume fraction // Lindsey Conklin
Pubbl/distr/stampa	Hampton, Virginia : , : National Aeronautics and Space Administration, Langley Research Center, , January 2017
Descrizione fisica	1 online resource (vi, 39 pages) : color illustrations
Collana	NASA/CR ; ; 2017-219365
Soggetti	Composite structures Destructive tests Fiber composites Fiber volume fraction Image processing
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"January 2017." "Performing organization: NASA Langley Research Center"--Report documentation page.

2. Record Nr.	UNINA9910814090003321
Autore	Lewis Mary Dewhurst
Titolo	Divided rule : sovereignty and empire in French Tunisia, 1881-1938 // Mary Dewhurst Lewis
Pubbl/distr/stampa	Berkeley : , : University of California Press, , 2014
ISBN	0-520-95714-8
Descrizione fisica	1 online resource (321 p.)
Disciplina	961.104
Soggetti	HISTORY / Africa / General Tunisia History French occupation, 1881-1956 Tunisia Politics and government 1881-1956 France Colonies Africa, North History
Lingua di pubblicazione	Inglese

Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Tunisia in the Imperial Mediterranean -- Ending extraterritoriality? -- The politics of protection -- Contested terrain : redefining sovereignty in twentieth-century Tunisia -- Over our dead bodies : burial rites and sovereignty in 1930s Tunisia -- Conclusion and epilogue : from co-sovereignty to independence.
Sommario/riassunto	After invading Tunisia in 1881, the French installed a protectorate in which they shared power with the Tunisian ruling dynasty and, due to the dynasty's treaties with other European powers, with some of their imperial rivals. This "indirect" form of colonization was intended to prevent the violent clashes marking France's outright annexation of neighboring Algeria. But as Mary Dewhurst Lewis shows in <i>Divided Rule</i> , France's method of governance in Tunisia actually created a whole new set of conflicts. In one of the most dynamic crossroads of the Mediterranean world, residents of Tunisia- whether Muslim, Jewish, or Christian-navigated through the competing power structures to further their civil rights and individual interests and often thwarted the aims of the French state in the process. Over time, these everyday challenges to colonial authority led France to institute reforms that slowly undermined Tunisian sovereignty and replaced it with a more heavy-handed form of rule-a move also intended to ward off France's

European rivals, who still sought influence in Tunisia. In so doing, the French inadvertently encouraged a powerful backlash with major historical consequences, as Tunisians developed one of the earliest and most successful nationalist movements in the French empire. Based on archival research in four countries, Lewis uncovers important links between international power politics and everyday matters of rights, identity, and resistance to colonial authority, while re-interpreting the whole arc of French rule in Tunisia from the 1880's to the mid-20th century. Scholars, students, and anyone interested in the history of politics and rights in North Africa, or in the nature of imperialism more generally, will gain a deeper understanding of these issues from this sophisticated study of colonial Tunisia.
