

1. Record Nr.	UNINA9910705789603321
Autore	Jones Daniel R.
Titolo	Passive rocket diffuser testing : reacting flow performance of four second-throat geometries / / Daniel R. Jones, Daniel C. Allgood, Grady P. Saunders
Pubbl/distr/stampa	[Stennis Space Center, Mississippi] : , : National Aeronautics and Space Administration, [Stennis Space Center], , December 2016
Descrizione fisica	1 online resource (26 pages) : color illustrations
Collana	NASA technical memorandum ; ; 2016-219221
Soggetti	Boundary layer separation Computational fluid dynamics Flow distribution Pressure effects Pressure measurement Rocket engines
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"December 2016." "The experimentation presented in this paper was carried out at SSC between May and August 2015" Page 3.
Nota di bibliografia	Includes bibliographical references (pages 25-26).
