Note generali	Title from title screen (viewed on March 13, 2014). "The U.S. Department of Justice's National Institute of Justice (NIJ) is a leader in identifying and sharing new training and technology with law enforcement and other first responders. ... Front-line professionals are working more closely with teachers and administrators, students, parents and community leaders to create alliances that will transform our nation's schools. NIJ, through the National Law Enforcement and Corrections Technology Center (NLECTC), is helping communities gather and share their success stories in this publication and at SchoolSafetyInfo.org."--Introduction.
