

1. Record Nr.	UNINA9910705811203321
Autore	Cucinotta Francis A.
Titolo	Parameterizations of pion energy spectrum in nucleon-nucleon collisions // Francis A. Cucinotta and John W. Wilson, John W. Norbury
Pubbl/distr/stampa	Hampton, Virginia : , : National Aeronautics and Space Administration, Langley Research Center, , October 1998
Descrizione fisica	1 online resource (23 pages) : illustrations
Collana	NASA/TM ; ; 1998-208722
Soggetti	Nucleon-nucleon interactions Pions Radiation transport Charged particles Particle collisions Nucleon-nucleon scattering Atmospheric radiation Galactic cosmic rays
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"October 1998." "Performing organization: NASA Langley Research Center"--Report documentation page.
Nota di bibliografia	Includes bibliographical references (page 13).
