

1. Record Nr.	UNINA9910706120503321
Autore	Refaat Tamer F. <1968->
Titolo	Temperature control of avalanche photodiode using thermoelectric cooler // Tamer F. Refaat, William S. Luck, Jr. and Russell J. DeYoung
Pubbl/distr/stampa	Hampton, Virginia : , : National Aeronautics and Space Administration, Langley Research Center, , October 1999
Descrizione fisica	1 online resource (16 pages) : illustrations
Collana	NASA/TM ; ; 1999-209689
Soggetti	Temperature control Avalanche diodes Photodiodes Infrared detectors Solid state devices
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"October 1999." "Performing organization: NASA Langley Research Center"--Report documentation page.
Nota di bibliografia	Includes bibliographical references (page 12).
