

1. Record Nr.	UNINA9910706187503321
Autore	Carter John F.
Titolo	Initial flight test of the production support flight control computers at NASA Dryden Flight Research Center // John Carter and Mark Stephenson
Pubbl/distr/stampa	Edwards, California : , : National Aeronautics and Space Administration, Dryden Flight Research Facility, , August 1999
Descrizione fisica	1 online resource (14 pages) : illustrations
Collana	NASA/TM ; ; 1999-206581
Soggetti	Flight tests Control units (computers) Aircraft control Flight control Airborne/spaceborne computers Production management
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"August 1999." "Presented as AIAA 99-4203 at the AIAA Guidance, Navigation, and Control Conference, Portland, Oregon, August 9-11, 1999"--Report documentation page. "Performing organization: NASA Dryden Flight Research Center"--Report documentation page.
Nota di bibliografia	Includes bibliographical references (page 14).
