

1. Record Nr.	UNINA9910706275303321
Autore	Swallow K. C (Kathleen C.)
Titolo	Adsorption of trace metals by hydrous ferric oxide in seawater // K.C. Swallow and Francois Morel
Pubbl/distr/stampa	Narragansett, Rhode Island : , : Environmental Research Laboratory, Office of Research and Development, U.S. Environmental Protection Agency, , 1980
Descrizione fisica	1 online resource (x, 53 pages) : illustrations
Collana	Ecological research series ; ; EPA-600/3-80-011
Soggetti	Trace elements in water Water - Purification - Adsorption Ferric oxide
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"January 1980." "Project Officer: Earl W. Davey."
Nota di bibliografia	Includes bibliographical references (pages 50-52).
