

1. Record Nr.	UNINA9910706299303321
Autore	Parker Frank L. <1926->
Titolo	Evaluation of mathematical models for temperature prediction in deep reservoirs // by Frank L. Parker, Barry A. Benedict, Chii-ell Tsai
Pubbl/distr/stampa	Corvallis, Oregon : , : National Environmental Research Center, Office of Research and Development, U.S. Environmental Protection Agency, , 1975
Descrizione fisica	1 online resource (205 pages) : illustrations
Collana	Ecological research series ; ; EPA-660/3-75-038
Soggetti	Water temperature - Tennessee River Valley - Mathematical models Reservoirs - Tennessee River Valley - Mathematical models Reservoirs - Mathematical models Water temperature - Mathematical models United States Tennessee River Valley
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"June 1975." "Project Officer: Bruce Tichenor."
Nota di bibliografia	Includes bibliographical references (pages 203-205).
