

1. Record Nr.	UNINA9910706528103321
Autore	Parker Raymond L (Raymond Laurence)
Titolo	Data of geochemistry . Chapter D Composition of the earth's crust // Raymond L. Parker
Pubbl/distr/stampa	Washington : , : United States Department of the Interior, Geological Survey, , 1967
Edizione	[6th ed. /]
Descrizione fisica	1 online resource (v, D19 pages) : illustrations
Collana	Geological Survey professional paper ; ; 440-D
Soggetti	Geochemistry Crust of the Earth Earth (Planet) Crust
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed September 30, 2014). "Discussion of methods of determining the crustal composition and a summary of abundance figures of the elements."
Nota di bibliografia	Includes bibliographical references (pages D16-D17) and index.
