

1. Record Nr.	UNINA9910706597903321
Autore	Whitmore Stephen A.
Titolo	Wind-tunnel investigations of blunt-body drag reduction using forebody surface roughness // Stephen A. Whitmore
Pubbl/distr/stampa	Edwards, California : , : National Aeronautics and Space Administration, Dryden Flight Research Center, , January 2001
Descrizione fisica	1 online resource (28 pages) : illustrations
Collana	NASA/TM ; ; 2001-210390
Soggetti	Wind tunnel tests Aerodynamic drag Base flow Drag reduction
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"January 2001." "Performing organization: NASA Dryden Flight Research Center"-- Report documentation page.
Nota di bibliografia	Includes bibliographical references (page 28).
