Sommario/riassunto	Luce Irigaray: Teaching explores ways to confront new issues in education. Three essays by Irigaray herself present the outcomes of her own experiments in this area and develop proposals for teaching people how to coexist in difference, reach self-affection, and rethink the relations between teachers and students. In the last few years, Irigaray has brought together young academics from various countries, universities and disciplines, all of whom were carrying out research into her work. These research students have received personal instruction from Irigaray and at the same time have learnt f
