

1. Record Nr.	UNINA9910707314703321
Autore	Crookston Nicholas L.
Titolo	Percent canopy cover and stand structure statistics from the forest vegetation simulator // Nicholas L. Crookston, Albert R. Stage
Pubbl/distr/stampa	Ogden, UT : , : United States Department of Agriculture, Forest Service, Rocky Mountain Research Station, , April 1999
Descrizione fisica	1 online resource (11 pages) : illustrations (some color)
Collana	General technical report RMRS ; ; GTR-24
Soggetti	Plant canopies - Mathematical models Forest canopies - Mathematical models Forest canopy ecology - Mathematical models
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed August 4, 2016).
Nota di bibliografia	Includes bibliographical references (page 8).
