

1. Record Nr.	UNINA9910707678303321
Autore	Nakamura Yosio <1934->
Titolo	Earth strain measurements with the transportable laser ranging system: field techniques and planning // Yosio Nakamura, H. James Dorman, Thomas Cahill
Pubbl/distr/stampa	Galveston, Texas : , : University of Texas, Institute for Geophysics Greenbelt, Maryland : , : Goddard Space Flight Center, , November 1982
Descrizione fisica	1 online resource (iii, 36 pages) : illustrations, map
Collana	NASA CR ; ; 175150 University of Texas Institute for Geophysics contribution ; ; no. 532
Soggetti	Earth movements Geodynamics Laser range finders Shear strain Atmospheric effects
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed Sept. 20, 2016). "November 1982."
Nota di bibliografia	Includes bibliographical references (page 25).
