

1. Record Nr.	UNINA9910707804503321
Autore	Badavi F. F.
Titolo	Interactive application of quadratic expansion of chi-square statistic to nonlinear curve fitting // F.F. Badavi, Joel L. Everhart
Pubbl/distr/stampa	[Washington, D.C.] : , : National Aeronautics and Space Administration, Scientific and Technical Information Office, , October 1987
Descrizione fisica	1 online resource (32 pages) : illustrations
Collana	NASA technical memorandum ; ; 4012
Soggetti	Mathematical statistics Curve fitting Computer programs Goodness of fit Quadratic equations Statistics
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"October 1987." "Performing organization: NASA Langley Research Center"--Report documentation page.
Nota di bibliografia	Includes bibliographical references (page 32).
