| Note generali           | "This is a reprint of the paper in the Nineteenth Annual Report of the United States Geological Survey, 1897-98, Part IV, pp. 719-785, Plates LXXIV-CXVIII, published in 1899. In the present edition there are only a few corrections in some of the maps and a few minor changes in statements regarding geology. An index has been added and there is new pagination and renumbering of plates and figures"--Page 9. Includes bibliographical references and index. |
