

1. Record Nr.	UNINA9910708068003321
Autore	Tran Huy
Titolo	Ames Research Center shear tests of SLA-561V heat shield material for Mars-Pathfinder / / Huy Tran [and six others]
Pubbl/distr/stampa	Moffett Field, California : , : National Aeronautics and Space Administration, Ames Research Center, , September 1996
Descrizione fisica	viii, 43 pages : illustrations 1 online resource (23 pages) : illustrations
Collana	NASA technical memorandum ; ; 110402
Soggetti	Mars Pathfinder Heat shielding Ablation Arc heating Temperature profiles Refractory materials Space exploration Thermal protection Thermocouples
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"September 1996." "Performing organization: Ames Research Center" Report documentation page.
Nota di bibliografia	Includes bibliographical references (page 8).
