

1. Record Nr.	UNINA9910708068503321
Autore	Franklin James A.
Titolo	Moving base simulation evaluation of translational rate command systems for STOVL aircraft in hover // James A. Franklin and Michael W. Stortz
Pubbl/distr/stampa	Moffett Field, California : , : National Aeronautics and Space Administration, Ames Research Center, , June 1996
Descrizione fisica	1 online resource (23 pages) : illustrations
Collana	NASA technical memorandum ; ; 110399
Soggetti	Hovering V/STOL aircraft STOVL aircraft Flight control Flight characteristics Vertical motion simulators Command guidance
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"June 1996." "Performing organization: Ames Research Center" Report documentation page.
Nota di bibliografia	Includes bibliographical references (page 8).
