Sommario/riassunto	Democracy Past and Future</i> is the first English-language collection of Pierre Rosanvallon's most important essays on the historical origins, contemporary difficulties, and future prospects of democratic life.

</P><P>One of Europe's leading political thinkers, Rosanvallon proposes in these essays new readings of the history, aims, and possibilities of democratic theory and practice, and provides unique theoretical understandings of key moments in democracy's trajectory, from the French Revolution and the struggles for universal suffrage to European unification and the crises
