Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"6 April 2006."
Nota di bibliografia	Includes bibliographical references (pages 4-5).
Sommario/riassunto	"In this book, early fluent readers will learn why English ivy is considered an invasive species, how it has established itself in and impacted new ecosystems, and what scientists are doing to combat the problem. Bright, full-color photographs and carefully leveled text will engage young readers as they learn more about English ivy and how scientists work to control the spread. An infographic aids understanding, and an activity offers readers an opportunity to extend discovery. Children can learn more about English ivy using our safe search engine that provides relevant, age-appropriate websites. English Ivy also features reading tips for teachers and parents, a table of contents, a glossary, and an index. English Ivy is part of Jump!'s Invasive Species series"--
