Sommario/riassunto	<p>Paul Noble is a genius with a higher IQ than Einstein. Despite this, he still struggled with language learning at school. He found himself feeling 'confused, incapable and unable to really say anything.' As a result of his negative early experiences, Paul has come up with a ground-breaking new method of language teaching that removes the need for months of study. With Paul Noble, everyone really can speak a language. Part 2 of the course covers: - Numbers - Eating out - Asking for directions - At the train station A native-speaking German expert helps Paul to deliver the course and to perfect your pronunciation. No complicated grammatical explanations, no writing - no stress. Learn over 6,000 words in no time at all and - most importantly - learn how to make your new vocabulary work for you. A downloadable booklet is also included to use as a reference and revision tool.</p>
