

1. Record Nr.	UNINA9910708672803321
Autore	Kawalko Stephen F.
Titolo	Theory of biaxial graded-index optical fiber // Stephen F. Kawalko
Pubbl/distr/stampa	[Washington, D.C.] : , : National Aeronautics and Space Administration, , [1990]
Descrizione fisica	1 online resource (v, 101 pages) : illustrations
Collana	NASA-CR ; ; 186882
Soggetti	Bessel functions Differential equations Isotropy Optical fibers Wave dispersion Wave equations Wentzel-Kramer-Brillouin method
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"Submitted in partial fulfillment of the requirements for the degree of Master of Science in Electrical Engineering in the Graduate College of the University of Illinois at Chicago."
Nota di bibliografia	Includes bibliographical references (pages 71-72).
