Note generali	"Published by Air University Press in March 2020."
Nota di bibliografia	Includes bibliographical references (pages 283-344) and index.
Nota di contenuto	The early history of Liberia -- Liberia and the pan-African movement -- Tolbert and the new policy direction -- Samuel K. Doe : from friend to foe -- Intensification of the armed conflicts -- The US-led UN intervention.
Sommario/riassunto	"This book reviews the history of the United States-Liberia relations from the early 1820s to 2015, with particular attention paid to the role of the US armed forces. Contrary to most literature on the genesis and

development of Liberia, this book demonstrates how US military power has been the primary influence shaping Liberia's history. This includes the role played by the US military in the founding of Liberia, the protection of the country during the European formal colonial era, multiple covert operations in securing US-friendly administrations in Liberia, and direct military interventions when necessary to secure American interests in the region"--
