

1. Record Nr.	UNINA9910709670103321
Autore	Weinberg Bernard C.
Titolo	Solution of three-dimensional time-dependent viscous flows // Bernard C. Weinberg, Henry McDonald
Pubbl/distr/stampa	Moffett Field, California : , : National Aeronautics and Space Administration, Ames Research Center, , [1979-1982]
Descrizione fisica	3 volumes : illustrations
Collana	NASA/CR ; ; 166565
Soggetti	Viscous flow Compressible flow Computer aided design Rotary wings Three dimensional flow
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Pt.1: "April 1979"; Pt.2: "December 1980"; Pt.3: "September 1982."
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	Pt. 1. Investigation of candidate algorithms -- pt. 2. Development of the computer code -- pt. 3. Application to turbulent and unsteady flows.
