

1. Record Nr.	UNINA9910709746103321
Autore	Maskew B.
Titolo	Investigation to advance prediction techniques of the low-speed aerodynamics of V/STOL aircraft / / B. Maskew [and three others]
Pubbl/distr/stampa	Moffett Field, California : , : National Aeronautics and Space Administration, Ames Research Center, , February 1983
Descrizione fisica	1 online resource (ix, 141 pages) : illustrations
Collana	NASA/CR ; ; 166479
Soggetti	Prediction analysis techniques Aerodynamic characteristics Computer programs Boundary layers Low speed stability
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"February 1983."
Nota di bibliografia	Includes bibliographical references (pages 137-141).
