Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Book Cover; Title; Contents; Notes on contributors; Acknowledgements; Research and practice in the anthropology of welfare; 'You just get on with it': questioning models of welfare dependency in a rural community; Concepts of community in changing health care: a study of change in midwifery practice; The child welfare debate in Portugal: a case study of a children's home; 'Equal, but different'? Welfare, gender ideology and a 'mothers' centre' in southern Germany; The co-operation concept in a team of Swedish social workers: applying grid and group to studies of community care
	Caring communities or effective networks? Community care and people with learning difficulties in South WalesStaff models and practice: managing 'trouble' in a community-based programme for chronically

mentally ill adults in the USA; A local anthropology of exclusion;
Considering the culture of community care: anthropological accounts of
the experiences of frontline carers, older people and a researcher;
Treasures on Earth: housing assets, public policy and older people in
New Zealand; Residents' participation in the management of retirement
housing in the UK
Using experiential research methods: the potential contribution of
humanistic groupwork methods to anthropology and welfare
researchIndex

Sommario/riassunto	The Anthropology of Welfare provides an overview of what anthropology has to offer welfare studies and vice-versa. Case studies from anthropologists in the field, examine different branches of welfare and community care, for example: * Maternity services * Children with learning difficulties * Children's homes * Mothers' centres * People with HIV * Mental health centres * Housing * Care and provision for the elderly. Contributors focus on comparative welfare systems - examples are taken from urban and rural areas of the UK, USA, Sweden,
