

1. Record Nr.	UNINA9910709788803321
Autore	Roussos Louis A.
Titolo	Noise transmission loss of a rectangular plate in an infinite baffle // Louis A. Roussos
Pubbl/distr/stampa	Washington, D.C. : , : National Aeronautics and Space Administration, Scientific and Technical Information Branch, , March 1985
Descrizione fisica	1 online resource (33 pages) : illustrations
Collana	NASA technical paper ; ; 2398
Soggetti	Transmission loss Aerodynamic noise Noise propagation Rectangular panels Integral equations Plates (Engineering) - Noise - Mathematical models Composite materials - Noise - Mathematical models Sound - Transmission - Mathematical models Sound pressure - Mathematical models Vibration - Mathematical models
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"March 1985." Prepared at Langley Research Center.
Nota di bibliografia	Includes bibliographical references (pages 12-13).
