Note generali	"October 1996." "These supplements to the Monthly Vital Statistics Report present summary tabulations from final natality, mortality, marriage, and divorce statistics for 1989 and 1990. Natality and mortality data are based on information from the standard certificated filed in all States and the District of Columbia. Marriage and divorce data are based on information from the marriage- and divorce-registration areas. These reports were originally published in 1991-93 and 1995. More detailed tabulations are published in Vital Statistics of the United States annual volumes."
