

1. Record Nr.	UNINA9910709874003321
Autore	Lepicovsky Jan
Titolo	Acoustically excited heated jets / / J. Lepicovsky [and four others]
Pubbl/distr/stampa	Washington, D.C. : , : National Aeronautics and Space Administration, Scientific and Technical Information, , June 1988
Descrizione fisica	1 online resource (3 volumes) : illustrations
Collana	NASA/CR ; ; 4129
Soggetti	Flow visualization Acoustic excitation Jet flow Mach number Fluid mechanics Jets - Fluid dynamics
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"June 1988." "Lockheed Aeronautical Systems Company-Georgia." "Pennsylvania State University."
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	I. Internal excitation -- II. In search of a better understanding -- III. Mean flow data.
