

1. Record Nr.	UNINA9910711723703321
Autore	Camp Paul R.
Titolo	Determination of the water content of snow by dielectric measurements // Paul R. Camp and David R. LaBrecque ; prepared for Office of the Chief of Engineers
Pubbl/distr/stampa	Hanover, N.H. : , : U.S. Army Corps of Engineers, Cold Regions Research & Engineering Laboratory, , July 1992
Descrizione fisica	1 online resource (iv, 38 pages) : illustrations
Collana	Special report / U.S. Army Corps of Engineers, Cold Regions Research & Engineering Laboratory ; ; 92-18
Soggetti	Snow - Analysis Snow - Electric properties - Measurement Dielectric measurements Meltwater - Testing
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"July 1992."
Nota di bibliografia	Includes bibliographical references (pages 34-35).
