

1. Record Nr.	UNINA990005430730403321
Autore	Calderone, Salvatore
Titolo	Teologia politica, successione dinastica e consecratio in età costantiniana / Salvatore Calderone
Pubbl/distr/stampa	Vandoeuvres-Genève : Fondation Hardt, 1973
Descrizione fisica	P. 215-269 ; 22 cm
Collana	Entretiens sur l'antiquité classique ; 19
Disciplina	204.3 291.213
Locazione	FLFBC
Collocazione	204.3 EAC 1 (6)
Lingua di pubblicazione	Italiano
Formato	Materiale a stampa
Livello bibliografico	Monografia

2. Record Nr.	UNINA9910711726503321
Autore	Miller David C (David Carl), <1975->
Titolo	Soiling related abrasion and the development of a PV abrasion standard // David C. Miller [and nine others]
Pubbl/distr/stampa	[Golden, Colo.] : , : National Renewable Energy Laboratory, , 2018
Descrizione fisica	1 online resource (22 pages) : color illustrations
Collana	NREL/PR ; ; 5K00-72850
Soggetti	Photovoltaic cells - Abrasion resistance - Standards Photovoltaic power generation - United States Photovoltaic power generation United States
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"International PV Soiling Workshop, Golden Ballroom, Salon D, Denver West Marriott hotel, Golden CO 08:40-09:00 Thursday, November 01, 2018."

3. Record Nr.	UNINA9910678588003321
Titolo	Circumcision : advances and new perspectives / / Ahmad Zaghal, Ali El Safadi, editors
Pubbl/distr/stampa	London : , : IntechOpen, , 2023
ISBN	1-80355-907-1
Descrizione fisica	1 online resource (78 pages)
Disciplina	296.4422
Soggetti	Circumcision Circumcision - History
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Male circumcision has been practiced since the dawn of human culture and may be performed for medical and non-medical reasons. Although a simple procedure, if not properly performed it may lead to minor or even serious complications, such as urethral or glanular injury. Circumcision is performed using various techniques, including the classic open technique, clamp technique, and laser /electrocautery technique, with various outcomes in terms of safety. The debate over the pros and cons of cultural circumcision continues, with experts in the field holding divergent opinions. The purpose of this book is to present an overview of the historical background of male circumcision and to describe different circumcision techniques.
