Note generali	<p>"March 11, 2019"--Cover.</p> <p>"OIG-19-28"--Cover.</p> <p>Includes ICE comments to the draft report.</p> <p>"Our case review of 3,053 aliens not removed within 90 days of receiving a final order of removal revealed that the most significant factors delaying or preventing repatriation are external and beyond ICE's control. Specifically, detainees' legal appeals tend to be lengthy; removals are dependent on foreign governments cooperating to arrange travel documents and flight schedules; detainees may fail to comply with repatriation efforts; and detainees' physical or mental health conditions can further delay removals"--Verso of title page.</p>
Nota di bibliografia	Includes bibliographical references.
