Note generali	"December 2005." Report number from the Office of Inspector General, U.S. Department of Justice's "All reports" page. The Department of Justice Paul Coverdell Forensic Science Improvement Grant Program (Coverdell Grant Program) provides funds to state and local governments to improve the timeliness and quality of forensic science and medical examiner services and to eliminate backlogs in the analysis of forensic evidence. This report evaluated the FY 2005 Coverdell Grant Program Announcement and application review process.
Nota di bibliografia	Includes bibliographical references.
